NOVEMBER Respect

The best way to teach children anything is to make it fun and involve as many of their five senses as possible.

IDEAS & TIPS:

10 Powerful Conversation Starters to Teach Your Kids

RESPECT

Discuss with your children, by asking these questions, how they can show respect to themselves and to others!

1 When you think of the word respect, what kinds of thoughts or actions come to mind?

2 Given that so many children are exposed to media that displays a distinct lack of respect for others, how can we teach respect for others?

3 What are some ways that you can show respect and help your friends or family?

4 When we are having a conversation with someone, what is one thing you can do to show respect?

5 What do you hope those you lead glean from your example regarding how to respect themselves?

6 What are some ways we can show self-respect and act as though our bodies and our brains are important and valuable to us?

7 How can you show respect to your brain and your body?

8 How do you show respect to the material items that you own and enjoy?

9 How does re-using, reducing waste and recycling show respect for our community, the environment and the world?

10 What would you want someone to respect or admire about you?
